P .- The South end of a magnet at tracts the North end of the needle of a

A predicate noun, although it means the same thing as the subject, is not called "in apposition." The knowledge of arithmetic and

grammar to be gleaned from this column, will amply repay you for the price of the HERALD, which is only \$1.50 a W. M. Likens, Arnold, Ky., has sen

in solution of problem. Your solution is ingenious and evinces a good knowledge of proportion. Come again, John Sr.- "Can anybody tell why

dog turns round three times before be lies down?" John Jr .- "Yes sir, 'cause he don't turn round four times." "Put P. H .- A man's want of the knowl-

edge of grammar is more frequently shown and more generally noticed in water she was transformed into an Inhis misuse of the irregular verbs than dian woman of average size and intelliin any other mistake he makes. Messrs. G. S. Fitzhugh, Paradise

Ky., and Z. O. King, Lagrange, Ky., have each sent in a correct solution of "Student's" problem. Well done, gentlemen, and I hope to hear from both of you very frequently. The friend who sent in the grind-

stone problem seems to have forgotten the rule that senders of problems to this column must send solutions, or in plain terms state that they do not know the solution. We would like to publish the problem.

Boy-The possessive case may used, 1st, to denote possesion; as "Raub's Rhetoric;" 3rd to denote the kind; as men's hats; 4th location; as Kentucky's tobacco fields. Your query is rather vague, but we hope the above covers the ground. If it does not, however, write again.

G. W.-We do not think your teacher is "cranky," because he discards "voice" in the verb, "We" do not apply "voice" to verbs, and we say that verbs are divided into three classes;transitive intransitive and passive We use the term pasive only because it is as convenient a name for that class of verbs as any other. It has quite a significance from the transitive. Take for instance, the verb "to whip" and "to be whipped," quite different things. Take again the males are in the majority. The excess two expressions, "John beat his father," of women and girls over men and boys and "John was beaten by his father, Now if John is the dutiful son that he should be, he would feel much better in the last than in the first case.

MRS, H. E. WELLMAN

No. 2 Linn St., Janesville, Wis., under date June 16, writes the following: Kenyon & Thomas Sirs: I was confined to my bed four months with inflammation of the right overy, had a good phy sician and tried almost everything, but got very little help until I tried your Dr. Haie's Household Ointment about four months ago. It has don wonders for me. I can do quite a day's work. have every reason to believe that it will entirely cure me. I am using your Dr. Haie's Household Tea with good results. Sincerely Yours, MRS. H. E. WELLMAN, This great medicine is for sale at Williams, Be & Co's, drug store,

One of the rich men of the Comstock once tried to get Harry Mighels of the Carson Appeal to write something, or not to write something, says the San Francisco Examiner, and when Mighels declined to consent the millionaire told him he was too poor to be so independent. Mighels, in a low voice that sounded like the purr of a tiger, made answer: "You are quite mistaken. You do not know how right laws. These there little grans: whether from contagions diseases of the reproductive or sans: whether from contagions diseases. know how rich I am. I have that little gans; whether from contagious disease printing office at Carson and paper heredity, tight lacing, overwork, exces printing office at Carson and paper

Myths Concerning the First Woman.

The Phonician myth of the origin of sarth's first human angel is found in the is as follows: It is a library. It is an history, a where we are told that the first man dictionary, a time table, a romance, carved the first woman out of ivory, the guide to political resume, a ground plan god Aphrodite appearing on the scene of the civilized world, a low-priced mulat the proper time to endow the statue tum in parvo. It is a sermon, a song, a with life and proper motion. Galatea's circus, an obituary, a shipwreck, a symgreatest trouble was brought on by her phony in solid brevier, a medley of life inordinate love for Acis, who was and death, a grand aggregation of man's thoroughly despised by Polyphemus, glory and his shame. It is, in short, a the giant Cyclop. His jealous nature be- bird's eye view of all the magnanimity ing fully aroused, Polyphemus finally and meanness, the joys and sorrows, killed Acis by crushing him with a ponderous stone. The blood spilled by this ty of the world, all for a few cents. tragedy gushed forth in such torrents

ing to their theory (which seems strangely at variance with their refined ideas,) Zeno, in a spirit of cruel jest, ordered Vulcan to make a woman out of clay, and afterwards induced the whole host of gods and goddesses to invest the clay image with all their worst qualities. After this had all been done to Zeno's liking, the breath of life was breathed into the statue, and capricious

woman started in her erratic career. The Scandinavians, in their story of

found in Genesis, and was set to trim and prune a large grove, with the innight he was terribly afflicted with ul- right place. cers, boils and carbupcles which appearlowing morning, when almost ready to give up in despair, one of the monster boils on his leg burst and out came a week.

In Memory of Herbert Low. Heaven is his home now. Another jew

l has passed away, a grand and noble boy. Four years ago he professed faith in the Savior and joined the church at Washington, and he adorned his profession by living a humble, consecrated life, devoted to the service of his Mas ter; Herbert was a model boy and was large and sympathizing audience. Herbert was cut down like a rose in full bloom, but the brighest flowers are always plucked first. His short life was a worthy example to the young friends he left behind him. Let us all strive to meet dear Herbert in heaven. May heaven's richest blessings rest upon the bereaved family in their great loss, and when the conflicts are over may they when the conflicts are over may they it standard authority. Mention this meet again in that bright world to part M. AND T. MAPLE.

Why Will You cough, when Shiloh's Cur

Recent statistics on the sexes in popu lation show that the United States is and you will plainly see that they mean one of the few countries in which the in Great Britain is 900,000, an increase of 200,000 in ten years. In Germany the number of females in excess of males is about 1 000 0000. In Sweden and Norway the "weaker sex" is in the majority by about 250,000, in Austro-Hungary by 600,000, and in Denmark by 60,000. In the United States, Canada and Australia the males are in the majority. In this country there are about 1,000,000 more men than women.
